Enjoy a day of silence as we practice various techniques to assist us in renewing and refreshing our connection to our inner spiritual “wellspring.” In addition to periods of silence and inner reflection, you will be guided and directed through the different stages of the day. The day will include sitting meditations (in solitude and in a group) and private time.

When the mind eventually quiets and stills, we will attune to our soul’s vibration, and become more aware of its inner guidance.

We will begin the day with a Devotee Chakra, a ritual celebration to invoke the Divine within us.

Silence in solitude is rich and rewarding;
Silence in community is priceless.
